

### **Address**

Olympia Bob Run St. Moritz - Celerina  
Plazza Gunter Sachs  
Via Maistra 54  
7500 St. Moritz

T +41 81 830 02 00

E-Mail: [events@olympia-bobrun.ch](mailto:events@olympia-bobrun.ch)

Navi data starting area: 46°30'06.3 "N 9°50'47.7 "E (entrance garage P1;  
second garage door; Via Maistra 54, 7500 St. Moritz)

Navi data finish area: 46°30'22.3 "N 9°50'53.8 "E (car park P3 at  
Riders Club, Celerina)

### **Public transport**

From St. Moritz and Celerina two bus lines (line 2 and 6) will bring you to the starting area of the Olympia Bob Run. Please get off at the bus stop "St. Moritz, Bären". You can reach the starting area on foot in just two minutes.

### **Parking spaces**

In the starting area you can park in P1 (underground car park) and P2 (on the roof of the underground car park). Please use the parking spaces to the left of the entrance in the underground car park (P1).

Additional parking spaces are available in Celerina, in the finish area of the Olympia Bob Run. An exciting and informative walk (approx. 45 minutes; see dotted line on the map below) will take you from the car park along the track to the start area. It is also possible to use the official transport to the start area: Please contact the Olympia Bob Run staff at the finish area.

### **Start time**

We kindly ask you to arrive at the Info Point in the start area half an hour before the start of the guest bobsleigh rides to register on site. Please note: The start numbers will be allocated "first come, first served". This means that the first person to arrive at the Info Point (start area) on the day of the booked ride will receive start number one, etc. The start numbers can be collected from the Info Point from 7am on the day of the ride.

### **Health requirements**

Centrifugal forces of up to 5g (five times the body weight) are reached in the curves. If your health is impaired, you should refrain from bobsleighbing, especially if you have any of the following conditions:

- back and/or neck problems
- heart and/or lung problems
- circulatory problems
- osteoporosis (reduced bone density)
- after operations on the spine, or in case of a herniated disc
- polyarthritis

You should also refrain from taking a guest bobsleigh ride during pregnancy.

In case of doubt, it is recommended to ask medical advice.

Guests over 70 years of age must provide a written medical certificate stating that there are no health reasons why they should not participate in bobsleigh guest rides.

### **Shoes & Clothing for your bobsleigh ride**

We kindly ask you to wear narrow trainers (no moon boots or Sorel) as there is limited space for the feet in the bobsleigh. There are no restrictions on clothing except for long coats. We recommend that you wear comfortable clothing. Please remember to bring gloves.

The helmet for your ride will be provided by us. For insurance reasons, you cannot use your own helmet.

We do not recommend wearing glasses/sunglasses during the ride. If you have sensitive eyes, you are welcome to bring your own ski goggles.

### **Track walk, walk of fame or walk along the bobsleigh track**

If you would like to walk along the bobsleigh track, we recommend that you wear winter shoes with non-slip soles.
